

Jr. Coll. Committee Makes Recommendations For Board Candidates

In keeping with the policy it adopted from the beginning, the Tri-County Junior College Central Committee which worked for the establishment of a Class I Junior College for the past 18 months, is now offering recommendations in selecting a qualified Junior College Board of Education which would represent all of the areas involved.

There are 35 candidates for the seven posts to be filled on the board. The Central Committee, which is made up of citizens from each area of Will, Grundy and Kendall counties, and a section of Kankakee, worked many hours in making the initial studies and later conducting the campaign to a successful conclusion, feels that the knowledge it has acquired carries an obligation to aid the voters in the task of electing the college's first board.

Conferences were held with other area junior colleges and members of the executive staff of the State Junior College Board and the Committee has followed the qualifications recommended by the State Board.

The Central Committee, a spokesman said, feels that this first board was most important to the new college district and that it represented all of the people in the area.

The Committee is gratified with the large number of qualified candidates that file, the spokesman continued. Each area represented on the Committee made a study of the candidates from their area. At a later meeting the Central Committee reviewed the qualifications of the various candidates and have recommended 11. They are:

Ronald Whitaker, New Lenox, incorporated.

William Glasscock, W. Laraway Rd., Rt. 3, Joliet, unincorporated.

Daniel Kennedy, 929 Shelia Dr., Joliet, unincorporated.

Claude H. Hogan Sr., 1212 N. Joliet St., Wilmington, incorporated.

John R. Rogers, 1303 West Acres Rd., Joliet, incorporated.

Arthur V. Rostron, Rt. 2, Minkookam unincorporated.

L-W Youth To Visit Corn Refining Plant

Charles Bruns, a senior at Lincoln -Way High School has been selected to participate in the first annual Junior Spokesman for Corn Refining Program of Corn Refiners Association, Inc.

A four-day tour during the week of April 10-14 will include viewing a modern corn refining plant, an up-to-date carbohydrate research center, a trip to Washington, D.C., to learn first hand the functions of the Department of Agriculture.

Qualifications to be eligible to participate in the program, a student must be enrolled in agriculture

Samuel Saxon, 602 Hartong St., Plainfield, incorporated.

Jasper (Jay) C. Tromp, Rt. 2, Manhattan, unincorporated.

Charles W. Westfall, 1507 Mayfield Av., Joliet, incorporated.

Cecil Ingmire, 706 N. Reed, Joliet, incorporated.

H. A. Holler, Rural Mazonm unincorporated.

Only seven candidates are to be voted on in the election April 15. If a voter selects more than seven his ballot is spoiled.

Not more than five members may be elected from incorporated areas. At least two must come from unincorporated areas but more could be elected from such sections.

The other candidates on the ballot are:

Gerald Sampson, 820 E. Washington St., Morris; John P. O'Hara, 627 Hudson Av., Romeoville; James F. Bell, 1216 West Acres Rd., Joliet; William F. Stelow, 1155 Curtis Ave., Joliet; Richard J.

Mokena Man Seek College Board Post

Mokena's favorite son in the Junior College board race April 15, is William Welsch, general manager of Welsch Lumber Co.

A graduate of Joliet Township High School, Welsch has a bachelor of science degree in chemistry from the University of Illinois. He spent seven years in research and development in the glass fiber industry and for the past decade he has been in the building material distribution business.

His program is to provide the best educational opportunities possible with the available funds and the help of a carefully qualified professional staff in the areas of general education for all students first two years of a four-year bachelor's course and two year technical (terminal) training for those seeking training in the semi-professional fields. He would provide these opportunities, he said, at the least cost to students and taxpayers.

His backers declare that by study, training, interest in education, analytical ability

N.L., Frankfort Town Winners

Republicans won the highway commissioner's race in Frankfort Township but in New Lenox the Independent candidate, Otto Bormet, chief of the fire department there and former garage owner, beat out his major party adversaries for the highway post.

Otherwise the Republicans made a clean sweep of the offices in New Lenox.

John E. Francis, was re-elected supervisor. He polled 1,380 votes to 843 for his Democrat opponent, Henry L. Errek.

John Oster, retired superintendent of New Lenox schools, was elected assistant supervisor, polling 1,472 votes to the 739 tallied by his Democrat opponent, Tom Orr. Oster was elected assistant supervisor

two years ago but was unseated because at that time New Lenox did not have an official census figure of 7,500, the necessary number to have an assistant supervisor.

William (Bill) Loucks, Republican candidate for highway commissioner, received 866 votes and his Democrat rival, Dominic W. Rini, had 486, but Bormet, the independent, received the winning total of 901. Bormet formerly served the village as police magistrate.

The Republican candidates for the township library board, Jane Anderson and Beverly Welsch polled 1,264 and 1,203 votes respectively. The Democrat candidates, Mary McLaughlin and Patricia Magan received 911 and 892 votes respectively.

Clarence Lauffer, running unopposed for the one place to be filled on the Mokena Park Board, polled 282 of the 294 votes cast.

In Frankfort Township the only office at stake was the highway commissioner's post and the incumbent, Walter Yunker, of Mokena, won it handily, receiving 788 votes to the 496 polled by his opponent, Eugene Batson, of Frankfort.

Yunker ran on his record and service to the community.

Richard Nieland was re-elected supervisor of Green Garden and Frederick W. Gast, highway commissioner. They were unopposed. Nieland had 65 votes, Gast, 66.

Elections Crowd April --- Town, Schools And Villages

April is a month of elections.

Tuesday the townships of Will county chose officers. Some elected only one or two officials. Some elected several. In Will County town elections are held every two years. In Cook County town officials, the entire lot, are elected every four years.

This Saturday, April 8, will see the school districts, grade and high, choose board members. In the Mokena grade school district, No. 159, voters also will ballot on a proposed \$54,000 bond issue to purchase a school site adjacent to the Willowcrest property. There are approximately 20 acres involved.

On the following Saturday, April 15, a junior college board is to be elected. There are 35 candidates in that election, drawn from all sections of the proposed district and for the convenience of the voters who have not had opportunity to look them up, the general committee who backed the junior college program is planning to suggest some 10 or a dozen

of them for consideration. Seven are to be elected. The college committee hopes to have all sections of the district represented.

Then on Tuesday, April 18, the cities and villages will elect officers. In some communities only two or three council members are to be elected; in others there will be mayors and clerks chosen as well as council members.

Township and village elections have polls open 12 hours, from 6 a.m. to 6 p.m. In the school elections the polls will be open from 12 noon to 7 p.m.

Mokena also had another election Tuesday -- park board. That election was decided, one might say, before it was held. There was but one candidate for the one place to be filled on the board. Clarence Lauffer's term was up and Lauffer was running for re-election, without opposition.

The Frankfort grade school election is similar. There are two three-year terms to be filled on the board and there are but two candidates, William R. Smith, incumbent, and George N. Lytle, 621 Haw-

thorne Rd.

There are six candidates for the three places on the Mokena board -- Norval Robinson, incumbent; James T. Fagan, Charles T. Burkhardt, Gordon Holleman, William (Bill) Cady, and James Tilsey.

There are also six candidates for the three places to be filled on the Ann Rutledge school board, Robert White, Charles Scheeler, Richard Smith, Ferne Griggs, Calmer Oas and Elwood Zitter.

In Arbury Hills two candidates are running for two three-year terms, Joseph E. Farnham and Thomas Tanis, and three are running for two one-year terms, George Peterson, Mary Williamson and Frederick N. Larsen.

Five are running for three places -- 3-year terms -- on the New Lenox board, Victor Miller and Harry Hobbs, incumbents, Charles P. Elliott Jr., Micheal Mark Cromley and Ronald W. Schaper.

Lions Pancake Day At Mokena

The Mokena Lions Club will hold its annual Pancake Day this Saturday, April 8.

Serving will be in the St. Mary School gym, 195th and 114th St., and is to begin at 6:00 a.m. Serving will continue until 2 p.m. Roy Wilhelm will be in charge of the kitchen. Al Mitchell is in charge of the dining room.

Pancakes, sausages and syrup and the price is \$1. Half of the proceeds will go to Trinity School for the Handicapped and half will remain in the Lions treasury for other charities. William Mutch is general chairman.

Tips On How To Keep Kite Flying Safe

Now that Spring is here youngsters will be out in force flying kites, and according to George Bateson, district superintendent of Commonwealth Edison Company, they can have fun safely by following five basic rules. Bateson urges kite flyers of all ages to play it safe by remembering these guidelines:

- Use only ordinary kite string; don't substitute wire or metallic cord.
- Never attach metal or tinsel to any part of the kite.
- Fly kites in open areas where traffic is light and trees and utility lines can be avoided.
- Never fly kites during storms or when the string is wet.
- If the kite becomes snagged, abandon it rather than risking injury by climbing a pole or tree or entering a hazardous area to retrieve it.

Farmer, business man and family man. Active in civic, church and school affairs. Familiar with school board procedure. Member of boards during building program and land acquisition. Being self-employed, I have time to do necessary "leg work" where answers aren't available by any other method.

I have selected this question-answer series to make known my personal opinions. What specific accomplishments should School Board 525 complete by next September?

- Employ an attorney.
- Employ a Junior College administrator.
- Employ a consultant, or consultants who can project our classroom needs 8 to 10 years in future.
- Employ an architectural firm to design buildings adaptable to expansion.
- Employ a planning consultant to determine where the center of population of District 525 maybe in the next 5 to 10 years.
- Purchase sufficient land in that area to meet Junior College needs for the next 10 to 15 years.

Here's Chance To Air Your Feelings About Big Airport In Area

Well, the big airport deal involving Will County is up for grabs again.

Recently temperatures and blood pressures of many Homer residents were running high because of press reports that the Homer area had been tagged for another O'Hare Field.

Homer residents opposing the proposal in voicing various complaints included one that no one had consulted any of them about the deal. The first thing they knew about it, they said, was to read in the papers that the Joliet Regional Chamber of Commerce was vitally interested in bringing another O'Hare to Will County and had people hopping off to Washington to put in a plug for the idea.

Persons appreciating the influence politics will have in such a deal have been taking the whole thing rather calmly, according to reports, pointing out that until Mayor Daley states, definitely and without equivocation, that he doesn't want the second O'Hare Airfield

Move Polls To North Entrance Of Grade School

Frankfort School Board has a special word for voters. Because of a district band contest at the school next Saturday, which is also the day on which two board members will be elected, the voting booths have been moved to the northeast rooms near the north entrance off Oregon St., in the newest addition to the school. Voters are requested to alter their steps accordingly, according to school authorities.

in Cook County, there is little likelihood that Will or any other county in what the metro press refers to as Chicagoland, would have a chance at getting such an airport.

Whether Will County or any of the other neighboring counties outside of Cook wants such an airport is something that the Joliet Chamber of Commerce would like to know. So would some other people and to that end officials and leaders in all townships have been asked to ask questions and get answers in their own areas to determine the feeling of the people.

Albert H. Krusemark, attorney for the Frankfort Township board, attended the meeting at Joliet Monday and that evening called on the Frankfort village board with the suggestion that an inquiry as to the community's feeling about an airport be made. Krusemark attended the Joliet meeting because Supervisor George Tate was in St. Louis because of the serious illness of a son there.

Mayor Glenn Warning appointed Krusemark as chairman of a committee to ascertain the feelings in Frankfort about the proposed airport. He also named Trustee Robert Dean to serve with him.

Krusemark said there has been talk of Green Garden or other sections south of Frankfort as a possible airport site. It has been said that Green Garden is too near the lake and so is in a fog belt and fogs, it was pointed out, are bad for the flying business.

Krusemark told the board that he didn't know whether he liked or disliked the idea of an airport in Will county

C.C. Dance Big Success At Frankfort

Village Trustee James McLemore, chairman of the Frankfort Chamber of Commerce dance last Saturday night at the Veterans Memorial Building, was quite pleased with the reception given the affair by the townspeople.

"It was quite successful," he said, "thanks to the support given by the membership and the committee appreciates all the assistance given."

Stand Up!

The police report by Chief Ted Massey of Frankfort shows that the department's traffic tickets stand up well in court. Out of 241 arrest tickets issued for traffic violations, the report shows, only 14 were either dismissed or not prosecuted. Thus there were 227 convictions that brought in \$2,436 in fines to the village.

Three illegal entries were reported last month—all with signs of forcible entry. Cooper-Show Ford Sales and Chappell Trucks and the Frankfort Grade School had unwelcome visitors, with little taken. At the school eight bottles of pop and the change from a vending machine was taken.

Frankfort police are to spend \$400 of their dance receipts to buy a used radio system for the village. There is still \$272 due on the system.

evening, March 31.

There was a short meeting held, which included a report on the financial results of the deposit bottle collections held recently. Some forty-six dollars was added to the treasury, because of these collections.

Fran Crones, the Cub Scoutmaster, also announced the discussion by the committee members of the possibility of holding a hot dog roast. This was tried unsuccessfully last year due to repeated uncooperation by the weatherman.

Another possibility discussed in committee was to have a combined picnic for the whole family and a kite flying contest of home made kites. This seemed to meet with a measure of approval.

The merit badges will be given out to the boys at the next pack meeting for those deserving them. This will include those earned since the annual banquet at the end of February.

The First Nighters will have their April get together of the group at the home of Mrs. Ann Maschmeyer of Rosewood Lane, tonight, Thursday, April 16, beginning at 8:00 p.m.

The Summit Hill Parent-Teacher Group will be held

at the school next Thursday evening, April 13, beginning at 8:00 p.m. This is the annual election meeting of the officers for the coming year. The newly elected officers will then take office at the installation meeting in May.

Time is closing in for all those who plan on attending the annual fashion show held by the Altar and Rosary Society of St. Mary's Church in Mokena on Wednesday evening, April 12, beginning at 8:00 p.m. at the Silver Lake Country Club.

Tickets may be purchased from any of the models or Miss Jean Sagan at 479-5691. The cost of the tickets is \$1.75 per person.

Registration of boys who are interested in the baseball program here, took place at the school last Saturday. This is a reminder to boys and parents alike, if the registration fees were NOT paid last Saturday, they MUST be paid at the home of Richard Prather at 9400 West Willow Lane by this Saturday, April 8, or the boy's name will be dropped from the rolls. The registration fee is \$3.50 per person and includes insurance coverage as well as the use of the equipment.

Both troops of Junior Girls Scouts held a joint swimming party at Castle Acres last week and everyone seemed to come home pretty damp, but happy from an enjoyable evening. Our thanks, from parents, leaders, and girls to Mrs. Paul Sheedy who acted as official life guard for the group.

The school board elections will be held this Saturday, April 8, from 12 noon until 7:00 p.m. at the school. There will also be an election for the Lincoln-Way High School Board.

Residents of the Summit Hill and Lincoln-Way High School Districts who are registered to vote in all other state and national elections are eligible to vote in school elections. It is NOT required that you have children in either of the schools. Your tax dollars are spent by the members of the two school boards, and you should be interested in the individuals elected to these posts.

These dedicated gentlemen and ladies have a difficult job to perform with little or no thanks for their efforts. You as taxpayers could make the effort to trot over to the school this Saturday and give these people a vote of confidence while stating your choice.

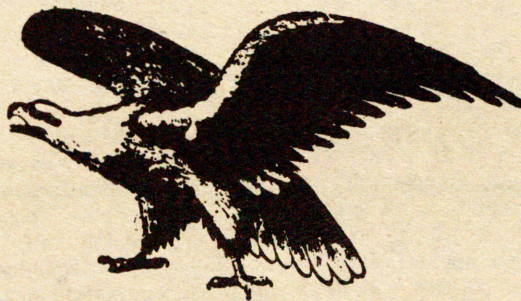

LUTHERAN MEETING
The Lutheran Human Relations Association of America, in conjunction with the regular quarterly meeting of its board of directors, plans to conduct an afternoon seminar and discussion for Lutherans of the South Cook county area on Sunday, April 9, 2:15 to 8 p.m., at Trinity Lutheran Church, 2901 Western Av. Park Forest.

Spring cleanup. Buy a new electric range and get the wiring free. (If you buy one with a self-cleaning oven you'll really clean up.)

Cut out for your appliance store. Take me to your dealer. (He'll get the picture.)

It's a hard deal to beat.

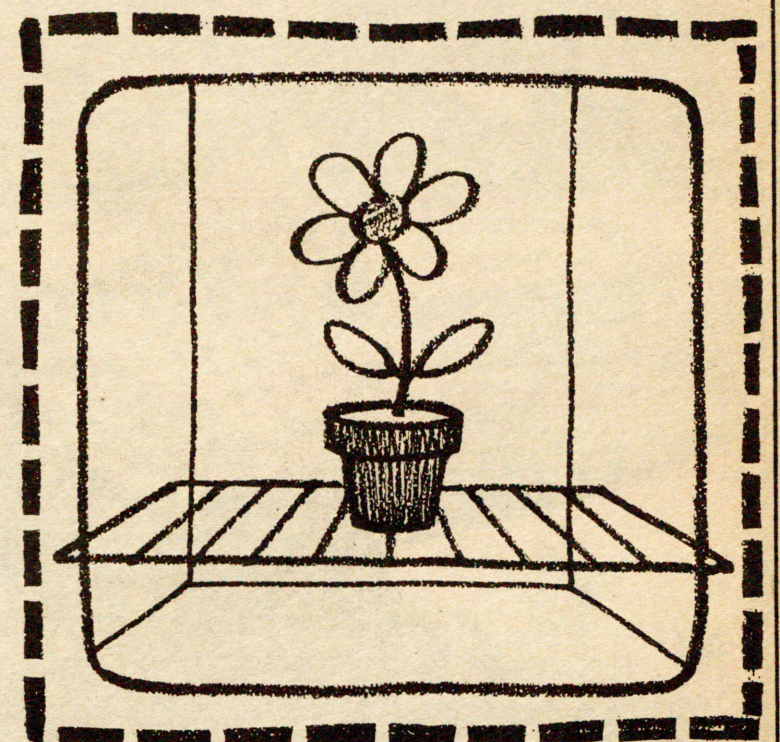

You buy a new electric range—the necessary wiring will be installed free.

This offer can save you over \$100. (And you can add other heavy-duty appliances later.)

Make your new range one with a self-cleaning oven (if you want) and save even more. Because the new self-cleaning oven does a better job with about 8¢-worth of electricity than you could with a whole can of oven cleaner. Not to mention the savings in time and scrubbing.

So if you like saving money, see the modern electric ranges at your dealer's now. And take a particular look at the self-cleaning oven.

Commonwealth Edison Company

FREE INSTALLATION OFFER. Now you can install a new electric range and get the wiring free. This offer applies, for a limited time only, to a standard wiring installation for a new electric range in any single-family dwelling or, for all new electric ranges in a two or three-apartment building served by Commonwealth Edison.

SATISFACTION GUARANTEED. If within 60 days you are not completely satisfied with your new electric range, Commonwealth Edison guarantees full refund of your purchase price. See your dealer for details.

The bright new ideas are Electric.

May 1 To Be Clean-Up Day At Frankfort

The first Monday in May--and that will be May 1--will be clean-up day at Frankfort. Free too. All householders are invited to set out all their junk and odds and ends that accumulate in the best ordered households in the regular spots reserved for garbage and the stuff will be picked up and carried off.

It is a good time to get rid of old water heaters and a lot of other things that one has difficulty in disposing

of, Trustee Gerald Francis pointed out.

He also urged owners of vacant lots to clear such properties of rocks and other debris and place it where village crews will be able to pick it up.

The village is planning on laning streets this spring, thus eliminating the excuse that some motorists use that they didn't know where or which way to park. Eventually the village will begin cracking down on careless parkers, it was indicated.

NI-Gas Will Lower Rates May 1

The Illinois Commerce Commission, through its chairman, James W. Karber, announced that Northern Illinois Gas Company has filed new lower rate schedules.

Karber said the reductions, which will save NI-Gas customers more than \$2-1/2 million a year, resulted from continuing joint studies being made by the

five commission members and the commission staff with representatives of the utility. The lower rates will become effective May 1.

The Commission reported the cuts will benefit 700,000 residential space heating customers, and 55,000 commercial and industrial customers, including 1,800 schools.

William J. Crowley, NI-Gas executive vice-president, said this is the company's seventh major rate reduction since 1962. "The average residential space heating customer in our service territory will pay approximately \$25 less next winter than he did five years ago -- under normal weather conditions," Crowley stated.

The people of Tinley Gardens wish to offer our sincerest sympathy to Mr. George Tate and family (Frankfort Township Super-

visor) on the very serious illness of their son George and hope that he progresses favorably so that he can return home shortly. God only knows that you have done enough for us George, can we be of any assistance to you at this time. Please consider it an honor for us to help in any way and that means all of us.

Now that Spring is here I think it would be good if everybody would try to clean up as best they can so that we may be able to offer the people that are looking at our vacant homes a desirable atmosphere and maybe we will have a full community before very many more weeks. What do you say we all try. Thank you.

I would like to advise all of my good friends that daughter Cherie's fiance Pvt. Alan Scholten has been released from the base hospital at Fort Campbell, Ky. and is back on duty with his unit.

Mr. and Mrs. John Evans of Pleasant Ave. were honored this past weekend by a visit from his son and daughter-in-law and grandson.

I, as President of the Tinley Gardens Homeowners Assoc. wish to thank all of my good friends and neighbors for their co-operation

in joining or rejoining the assoc. as we need every ones help to make this a community that we can all be proud of. At this particular writing there is no one could be any happier than I am when I know that

so many are behind me and that they will all help get our work accomplished and give us new ideas as well.

We would like to thank all of you people for voting April 3rd and all who could not I would personally like to take you over and get you registered Friday or Saturday, April 7th or 8th so that you can vote in the school elections Saturday. Lets all participate if at all possible. Thank you.

During the month of April the Frankfort-Mokena unit of Homemakers Extension have plans for various activities including tours, luncheons, membership tea, county meeting and craft days.

Starting the schedule for April will be a luncheon at Marshall Fields and a fashion show at Sears and Roebuck in Park Forest. This event will be held Wednesday, April 5 with members meeting at the home of Mrs. Fred Piepenbrink, Frankfort at 10:30 a.m.

On Friday, April 7 the annual county membership tea will be given at Grace Methodist church, Larkin avenue, Joliet, from 1 to 3 p.m. An induction ceremony will be held for new members with the local unit presenting three new members; Mrs. Edward Johnson, Mrs. Howard Johnson and Mrs. William Wilson.

The annual county meeting is being planned for Wednesday, April 12 in the Farm Bureau building on Manhattan road. Two sessions will be held at 1 to 3 p.m. and 7 to 9:30 p.m. The program will be selection of upholstered furniture.

Plans are being finalized for a tour Tuesday, April 18 at the Bix Refinishing Co., Highland, Ind. Plans are to have a luncheon at Tiebel's restaurant prior to the tour. Guests are welcome to attend by contacting the president, Mrs. George Sangmeister or any member of the unit.

Another tour is planned for Friday, April 21 to the Goodwill Industries in Chicago. There will be a charge of \$3.50 per person which will include a luncheon and transportation. Tentative plans are to leave the Farm Bureau building, Joliet, at 8:30 a.m. and return at 3:30 p.m.

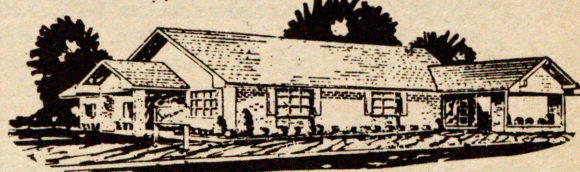

Bringing activities to a close for the month of April will be a craft day at the Fred Francis 4-H building, New Lenox, on Monday, April 24. More details will be given at a later date.

At the recent club meeting held in the home of Mrs. George Elsner, Frankfort,

with Mrs. George Smego as co-hostess, the major lesson on "Protective Care Enclosures Home Furnishings" was presented by Mrs. Mabel Welsch and Mrs. Lu Breidert.

Mrs. Robert Nixon displayed and explained the wax-type Easter eggs made at a craft day as did Mrs. Donald Ambuehl with a tote bag made of burlap and embroidered with yarn.

NEWLY ELECTED officers of the Mokena PTA. Left to right, Mrs. James Coffman, secretary; Frank Dilworth, 2d vice president; Mrs. Robert Best, re-elected president; Frank Onorato, treasurer, and Mrs. Gordon Holleman, 1st vice president. The PTA is planning a carnival and circus at Willowcrest School April 14. There will be two performances, one at 4 p.m. and the other at 8 p.m. The PTA will have booths to be visited before and after the performances.

Location Of Junior College

There has been considerable talk in the past and there is talk now about the location of the buildings of the junior college district recently approved by a vote of the people.

Some fear that if it is located in downtown Joliet it will become known as the Joliet Junior College. No one has said yet what the institution will be called but regardless of the name that may appear on the usual copper plaque placed on public buildings with names of board members or top ranking citizen that will eventually become a puzzle to future generations, the public will call it the Joliet Junior College regardless of where it is located.

Actually, what they call it doesn't really make any difference. If the college has good administrators, a good faculty and a practical curriculum that will serve the liberal arts contingent as well as the vocational element it will serve its purpose regardless of what it is called. It also goes without saying that if the college is a good one it will have a board of education that is well balanced and endowed with common sense. A college degree is not necessary for a board member.

Location of the college is important. There are some with visions of ivied towers and walls and vast acres of campus who no doubt will want the college some place on the far west side of Joliet where raw land is now selling for \$20,000 an acre or more.

Essentially a junior college is intended for those students who really can't financially afford to attend a college away from home for four years.

Students are going to have to pay some tuition in the junior

college and the books come high. And if the college is located on the far west side it will mean that every student must have a car. Gas, oil, maintenance, repairs, insurance and all the other costs of operating an automobile come high. Statistics from educational institutions about the nation show that when students -- high school or college -- are permitted to have cars their grades go down.

If a couple of thousand students attend junior college -- and the number is likely to be more -- percentage will claim at least two lives a year among the driving students and scores will be injured, some permanently.

To us it would be better to buy up a few square blocks in the old Seventh Ward of Joliet (the southeast side of the city) and put the college there. The land acquisition should cost less than if a west side location were used. But the most important feature is that such a location could be served by mass transportation. All the Joliet City Line buses come downtown. The Lockport buses come to Joliet downtown; so do the buses from Plainfield, Wilmington, Manhattan. The Rock Island Lines would serve Mokena, New Lenox and the Morris area and they would land students within five minutes walk of a downtown college site. Students who work part time also would be close to their jobs. In fact, a downtown location would appear to be so advantageous that it should receive a great deal of consideration.

So we reiterate -- whoever is elected to the board on April 15 it is our sincere hope that they are possessed of a good share of common sense.

AIRPORT PROTEST GAINS MOMENTUM!!

OFFICIAL NEWS RELEASE OF AIRPORT INVESTIGATION COMMITTEE

A notarized letter was read and presented by the Airport Investigation Committee as an official protest to the Joliet Regional Chamber of Commerce steering committee April 3, 1967. The letter presented follows.

The AIRPORT INVESTIGATION COMMITTEE representing all persons from Homer Township and surrounding communities who oppose any or all airports, International or otherwise, being located in the Homer Township area, do, hereby, make a formal and notarized protest against the proposed site of such an INTERNATIONAL AIRPORT in Homer Township.

It is also a request to cease and desist any further consideration of said proposed site.

The Joliet airport steering committee including Senator Baltz and Representative Houlihan have established, if and when any further airport studies are made, all of Will County will be considered instead of specifically Homer Township as the theoretical site.

It has also been established publicly by the steering committee that no release of any report written or otherwise be presented to any agency of our government or other person or persons until all of the citizens in Will County have had an opportunity to study and evaluate the advantages and disadvantages of any airport, international or otherwise.

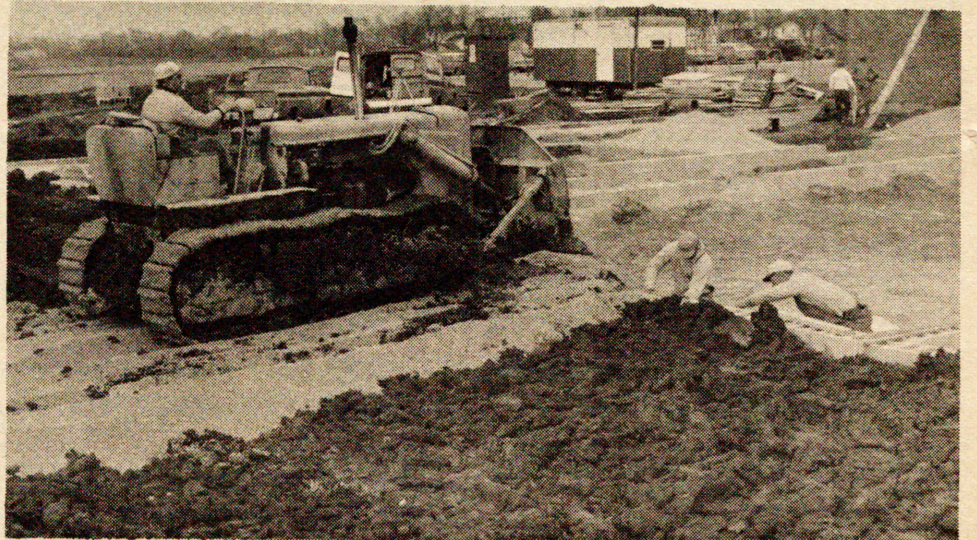

The AIRPORT INVESTIGATION COMMITTEE wants it understood by all the citizens of Homer Township and surrounding communities that we are NOT NOW NOR EVER have been a part of the Joliet Regional Chamber of Commerce airport steering committee.

We will continue and increase our protest pressure to Washington and at all levels until the voice of the people is recognized. The AIRPORT INVESTIGATION COMMITTEE urges all of Homer township and surrounding communities who are protesting to contact our coordinating committee at any of the following numbers; 838-5107 -- 838-4238 -- 838-6219 -- (312)-349-2537.

THE TWO TORREANIS, novelty tight wire act with the Borger Bros. Circus, will appear at the Willowcrest School under the auspices of the Mokena PTA on Friday, April 14.

Performances will be given at 4:00 p.m., and 8:00 p.m., Admission prices are 75 cents for students, \$1.25 for adults. Pre-schoolers and kindergarten pupils will be admitted for 50 cents when accompanied by their parents. The proceeds will be used for activities and scholarships of the PTA.

GRAVEL, MUD or just plain dry dirt is all one to one of these machines. Why gravel was being pushed over the foundation at the new Mokena school addition is something the 'cat operator knows, no doubt, but the machine was making too much noise to make conversation possible and it was too muddy for the photographer to traverse the distance to the machine, so all one can say is "men at work" and let it go at that.

Extolls Library Work As Career

In a report to Secretary of State Paul Powell, state librarian, Dorothy Anderson, library career consultant at the University of Illinois Circle Campus in Chicago, has expressed good accomplishment and high hopes for the future.

She points out that librarianship has long been considered an obscure "dead end" profession. Miss Anderson has been in her present position since January, 1965. She has lectured thruout the state and distributed some 180,000 pieces of informational literature, including packets of brochures on all types of library careers from law libraries to public libraries. These packets have been given to guidance counsellors throughout the state.

More than 1,800 individual interviews have been set up at the Circle Campus despite the fact that the center has only two full time workers, Miss Anderson, and Mrs. Barbara J. Seshardi, secretary.

"The primary goal of the Illinois state recruiting program", writes Miss Anderson, "is to present the library profession so accurately, dynamically, to potential librarians of all ages that we will see not only increases in the number of persons who choose this career, but in the quality of the individual candidate."

"With the help of H.E.W., scholarships have been given qualified students for graduate study in library science. Young men and women with subject backgrounds as diverse as mathematics, biology, English and industry are becoming aware of the profession which offers a

clear challenge to their intelligence. The initial attitude of those who pictured the librarian as just stamping out of checking in books and pointing to "Silence" signs is on the way out."

Miss Anderson is Canadian by birth, the daughter of a Scottish book seller. Her Bachelor of Arts degree was received from Seattle Pacific College and her master's in library science from the University of Washington.

She was children's librarian, Seattle Public Library 1958-1962, and did story telling programs on TV and in public libraries.

Exchange Words

A battle of words has been joined by the Chicago Sanitary District and county authorities of Will, Grundy and Kankakee.

According to the Chicago Sanitary District it is a highly altruistic organization which now plans to reclaim marginal and sub-marginal land and rebuild it into productive soil thru the application of sludge from its vast array of sewage disposal plants.

The counties referred to are telling the Chicago Sanitary District to go bury its sludge in Cook County, Chicago or some place other than dumping it in Will, Grundy, and Kankakee counties. As to the Sanitary District's declaration that it plans nothing but good for the places where the sludge is dumped the reply from such areas is reported to have been reduced to a single word -- "Nuts!"

FEDERAL EMPLOYMENT
—In commenting on the increase in Federal civilian employment since Dec. 1965, Sen. Williams (R-Del.) said, "These extra 234,387 employees are costing the taxpayers over \$1 1/4 billion annually and to freeze employment at this existing high level means that this extra payroll cost will cancel out entirely any additional revenue that would be derived by repealing or suspending the 7 per cent investment tax credit."

TAX BURDEN—Speaking about proposed tax increases, Rep. Glenn Cunningham (R-Neb.) said, "There are many ways to evaluate the nature and dimensions of the tax burden, but the following figures bring the subject into sharp focus. In the last five and one-half years, the federal government has taxed the American people a total of approximately \$400 billion. By way of comparison, the taxes paid by the American people from the time of the Constitution's drafting until the end of World War II totaled only \$248 billion. And still Uncle Sam continues to spend more than he collects."
